

Umer Qureshi

Front-End Developer

About Me

Hello! I'm Umer. I am a passionate and detail-oriented Front-End Developer with 6 years of experience designing and developing user-friendly, responsive websites. My expertise lies in creating seamless digital experiences using technologies like HTML, CSS, JavaScript, and WordPress, while integrating SEO best practices to enhance visibility and performance.

Currently specializing in React.js, I develop dynamic and scalable web applications that provide seamless user experiences across devices.
